Comfort Control Thermostats

\$512.00	Pro1 T855 Wi-Fi
	This thermostat comes with a 7 Day or 5/1/1 programmable feature. It has an 8 inch, easy to read temperature display and a blue-black light to help see the screen. You can Control the temperature at your home remotely.
\$225.00	Pro1 T701
	The T-701 thermostat features a 4-inch display, blue backlight and glow in the dark buttons. It features room temperature calibration adjustments and is configurable to gas or electric.

Filtration

\$615.00	Honeywell Media Air Cleaner
	Filter your home's air with the efficient and affordable Honeywell Media Air Cleaner. This whole home air cleaner can capture a significant amount of airborne microscopic particles that enter it, like dust, plus larger contaminants such as mold spores and pet dander.
\$2,200.00	Honeywell Electronic Air Cleaner
	The F300 Honeywell Home Electronic Air Cleaner uses 3 stage filtration to filter dust, pollen, mold spores, certain bacteria and cuts down on pet dander. It's low maintenance and eco-friendly because it has no filters to replace.

Odors & Smells UV Lights

\$1,170.00	Reme Halo-LED
	REME-LED® protects the air and provides a longer product life with improved energy efficiency, zero ozone creation and no mercury (sometimes found in traditional UV lamps). It has a 7-year warranty with a 4-year cell warranty.

Humidification

\$1,080.00	Advance Bypass Humidifier
	The Bypass Humidifier can help you maintain optimal humidity in your home which has been shown to reduce the incidence of respiratory infections and symptoms related to allergies and asthma by minimizing the formation of bacteria and viruses.
\$3,650.00	AprilAire Steam Humidifier
	The Aprilaire Steam Humidifier can help you maintain optimal humidity to reduce the incidence of respiratory infections and symptoms related to allergies and asthma by minimizing the formation of bacteria and viruses, fungi, and dust mites.

Equipment Safety Items

\$250.00	Surge Protectors
	5-year Series safeguards HVAC equipment from electrical surges, handling up to 50,000-amp single surges and 10,000-amp repetitive surges. As a Type 1 Device, it's versatile, allowing mounting anywhere in the electrical system for effective protection.
\$205.00	Wet Switch
	This Wet Switch helps prevent flooding, damage to carpets, walls, furniture, ceilings, etc. It turns the system off when moisture due to condensate or drain leaks is detected.
\$215.00	Condensate Pump
	If Your Pump Should Fail, The Safety Will Shut Your System Down To Prevent Over Flow Of Water In Basement (If New Poly is Needed). It has a built-in overflow switch to shut-down the system and prevent flooding, an important safety feature.

HORTON
HEATING & COOLING LLC
 When you need the temperature to be right

Our Services

Horton Heating and Cooling, LLC is a family-owned business offering a wide range of HVAC services, including sales, repairs, installation, and maintenance in Gloucester, Camden, Burlington, and Salem Counties. Our company provides the following services for residential and light commercial HVAC systems:

Product Offerings

We strive to bring comfort to your homes and improve your standard of living by supplying HVAC products and accessories like air cleaners, surge protectors, air conditioners, humidifiers, heaters, thermostats, UV lights, and a lot more. We collaborate with various financing companies to help our customers preserve their credit, catering to their emergency requirements.

Installation

Our team of skilled and certified technicians is well equipped to solve all the complexities involving installing HVAC equipment in your residential or commercial space. We emphasize leaving our workstation as clean as possible, providing professional and courteous service to every customer.

Change-Outs

Since the cost of energy barely depreciates, you need to upgrade your heating and cooling devices from time to time to diminish the effect on utility bills. We specialize in change-outs that safely upgrade your systems with minimal interruptions in operations.

Our Core Values

Ensuring on-time effective services and top product quality has been our primary goal ever since we launched our business in 2007.

Founded on the core values of professionalism and integrity, we provide efficient, reliable, and cost-effective heating, air conditioning, and indoor air quality products.
